Revolutionary Tales & Historic Ramblings In & Around Toms River, N.J.

Jeffrey Otis Brown is an Ocean County native and descendant of some of its earliest European settlers. He took an interest in his ancestors at a young age and through many years of research developed a deep passion for local history. Jeff has produced numerous genealogical works and historical sketches over the years.

In this book you will learn about the rich history of Ocean County and the many interesting characters and sites that contributed to the County's legacy.
